

HUNTING HILLS COUNTRY CLUB

August 2023 Newsletter

Maliah Mizack Event Manager

Hello members! My name is Maliah Mizack and I am your Event Manager here at Hunting Hills Country Club. I began my career at the club at the age of 19 as a restaurant server, while able to work towards my goal of working in the wedding industry. Roanoke has been my home my whole life and I graduated from Cave Spring High School then attended James Madison University shortly after. My interest in the wedding industry started when I was 15 years old while specializing in wedding dress sales. In my free time I enjoy going on adventures with my 6 year old brother, Brycen, and my yellow Labrador, Trooper. It has been a pleasure working here at Hunting Hills and I look forward to seeing everyone at our club events.

The Hunting Hills Hound Dog Swim Team had an amazing season! Lots of fun was had at the Monday night meets, fun practices, glow stick swims, pieing coaches, and at the championship meet. Hunting Hills placed 5th out of 12 teams at City/County this year, scoring a total of 10,998 points. Twenty-one Hound Dogs finished first, second, or third place in the Gold Division in one or more events. Over 70 Hound Dogs swam best times at the championship meet. Mark your calendars for 2024! Swim team registration will start in April and City/County will be held July 19-20th.

Friday, August 18th-In the Hills- Jody Ensor
Saturday, August 19th -Big Kahuna at the Pool
Friday, August 25th- In the Hills- Seph Custer

Pickleball Coming Soon

We are excited to announce that Pickleball will be coming to HHCC this fall. We plan to install four new pickleball courts so that our membership can take advantage of playing the fastest-growing racquetball sport. Construction will start in early September, and we hope to be completed by the end of October. Plans are in the works for new pickleball clinics, and our Tennis Professionals are offering individual pickleball lessons to get everyone ready to play on the new courts.

Fellowship of Christian Athletes

Over the past month and a half, we've embarked on an inspiring journey alongside the FCA (Fellowship of Christian Athletes) and the SOOUL Foundation, aimed at providing a unique opportunity for inner city youth to learn golf, engage in Gospel discussions, and foster meaningful connections with each junior attendee.

The combined efforts of our community have truly been remarkable. We've witnessed the power of golf to impart essential life lessons and even delve into the realm of mathematics. Through thought-provoking discussions, we've explored the timeless analogy of giving a man a fish versus teaching him how to fish, drawing parallels between this concept and the profound impact that golf and life can have on one another.

What's truly heartwarming is the unity and generosity that have flourished within our group. It's been awe-inspiring to see some of our very own members stepping forward to sponsor dinners for these aspiring young golfers after their range sessions. One notable instance was when a member observed the exceptional behavior of our juniors on the range and was compelled to contribute because he recognized their commitment to holding themselves to a higher standard.

These remarkable juniors hail from some of the most challenging areas in Roanoke, and their dedication and progress have been nothing short of remarkable. It has been an absolute privilege and pleasure to collaborate with them, witnessing their growth not only in golfing skills but also in embracing golf etiquette and personal development.

We're excited to share that this journey is far from over. Due to the overwhelmingly positive response and the evident impact on these young lives, we're in the process of scheduling additional dates for them to continue their golfing and personal growth experiences.

As we move forward, let's continue to extend our support, encouragement, and camaraderie to these remarkable juniors. Together, we're making a tangible difference in their lives, empowering them to navigate life's challenges with the skills and values they're gaining through golf and the connections they're forming with our community.

Thank you for being a part of this meaningful endeavor. Your support and involvement are a testament to the spirit of unity that defines Hunting Hills. Let's keep making a positive impact, one swing at a time.

Fairways and friendships,
James Kasza
Director of Golf Development

Coach Shepherd and Coach John hosting the 3rd Annual Roanoke Regional Tennis Hall of Fame at Hunting Hills June 24th.

Golf Events

MGA - 5:30pm Thursday, August 10th
Big Kahuna Golf Event- Friday, August 18th
MGA - 5:30pm - Thursday, August 24th
Nine & Dine- Friday, August 25th
Member 3 Guest Tournament
Saturday, August 26th

On July 18th, James held a clinic on putting for the WGA ladies. His dedication and teaching skills were evident. Our scores improved that day as we put the info he gave us to good use.

-Barbara Zubler HHCC WGA President

Congratulations to Brandon LaCroix for Winning the 2023 Club Championship
