

HUNTING HILLS COUNTRY CLUB

December 2023

Golf

As we approach the end of the year, we want to take a moment to reflect on the past months and look forward to the holiday season. Firstly, we would like to inform you that there will be no golf clinics scheduled for the month of December. We understand the importance of these clinics to our members and assure you that they will resume in the New Year.

We are incredibly grateful for your generous donations to the FCA Golf program. Your contributions have made a significant impact, and we cannot thank you enough for your continued support.

For those interested in our Titleist Performance Institute (TPI) program, we are excited to announce the dates for the upcoming sessions. They will be held on December 5th & 6th and 12th & 13th from 4:30-6 PM. The cost per session is \$30, but we are offering a special package for all four sessions at a total cost of \$100.

We also want to inform you that grip prices will be increasing next year. However, we are offering to re-grip your clubs at the current price before the new prices take effect. This is a great opportunity to get your clubs ready for the upcoming season.

Lastly, as we head into the holiday season, we want to extend our warmest wishes to you and your families. May your holidays be filled with joy, peace, and, of course, a little bit of golf.

Thank you for your continued support and dedication to Hunting Hills Country Club. We look forward to seeing you on the greens in the New Year!

Best Wishes James Kasza

Deck the Hills

Deck the Hills is an exciting new program for companies and families to contribute to the festive atmosphere at Hunting Hills Country Club. As we embrace the holiday season, we are thrilled to see all of the sponsored decorated trees at the clubhouse. We invite all members to stroll through the club, to enjoy all of the community-created displays and casting votes for their favorite tree throughout December. Simply complete a ballot at the clubhouse entrance and drop it in the box on the entry table.

We extend our sincere gratitude to the business and family sponsors who have embraced the spirit of Deck the Hills. Your generosity and enthusiasm are the driving force behind this festive program, and we can't wait to see the magic unfold! Thank you for helping us making Hunting Hills Country Club a place of warmth, community, and festive cheer. Here's to a season filled with joy, laughter, and the magic of Deck the Hills!

Holidays with Hunting Hills Tennis

The holidays are already here, and we'll be celebrating all season long with tennis and pickleball racquets in hand. On Saturday, December 9th, we're having our holiday tennis party from 3-5 pm. Light food and a cash bar will be set up at the tennis clubhouse, along with music, fun doubles play, and all your favorite tennis friends.

Hunting Hills Tennis has a direct connection with Santa Claus (he and Mrs. Claus showed up at our Halloween party). That being said, we're happy to help you pick out the perfect holiday gift for the racquet sports enthusiast in your life. Not only do we have plenty of fun and practical items stocked in the pro shop, but Santa can help you find a great deal on just about any tennis or pickleball item you can think of.

Indoor Court Availability

Indoor court time is a hot commodity in the cold of winter. Most of our slots have been spoken for; however, there are some times to take note of if you're looking to drop in for additional tennis or want to set up a pickleball indoors. The following times are generally available to reserve:

- Fridays beginning at 6 PM or later.
- Saturday and Sunday evenings.
- Any day starting at 8:30 PM.
- Sporadic mornings/early afternoons.

By the time you read this, Thanksgiving day will have passed, and the Christmas hype will be in full swing, but I'll go ahead and mention a few relevant things I'm thankful for during this season.

I'm thankful for tennis. My parents met at a tennis academy, so in some way, the game had a part in bringing me into this world. It still gives me joy and still provides me with a context in which I live a large part of my life. So thank you, tennis—you are a fun and impossibly frustrating game, and I love you.

I'm thankful for my health and the health of everyone who's healthy (and healthy enough to play tennis). I'm thankful for injuries that have healed and the healing that's taking place in those who are currently facing injury or illness.

I'm thankful for Hunting Hills and all the members, for everyone who takes lessons with me, and for John and Kara Barker.

Sincerely,
Shepherd Newcomb

Winter Camp is right around the corner, and there are limited spots left! Members can sign up for our first-ever Winter Camp for ages 4+, which will run from Dec 18-22, from 7:30 am to 2:30 pm. New Racket Sports Online Booking System

Exciting news! We are launching a new online booking system exclusively for Hunting Hills Country Club members. Easily reserve tennis and pickleball courts with a few clicks located on our membership portal. We hope that this will make our racket sports facilities more accessible and create a much easier process for booking courts. Enjoy real-time availability and elevate your court experience with seamless scheduling. More details will be sent out when the system is completed.
