KID'S CLUB SUMMER HOURS

The Kid's Club will begin operating under modified summer hours and rates starting on May 30. These changes reflect the needs of summer camp staffing and logistics. Evening Kid's Club will not be available Mon-Thursday.

If care is needed during the camp day, then a reservation is required 24 hours in advance so that we can be appropriately staffed. Our increased cost reflects the change that any child in our care during camp hours will be participating in the same activities as the campers, which requires additional supplies.

Summer Kid's Club Hours (May 30th-August 4th)

Mon: Closed

Tues: Reservations only 9:00 am - 5:00 pm @ \$10 per hour per child

Wed: Reservations only 9:00 am - 5:00 pm @ \$10 per hour per child

Spring Shoutouts

- Shoutout to HS tennis players. It was an exciting spring season for both teams and individuals. Between school, practices, match days, and regular life, you keep up a demanding schedule throughout the season that is, I'm sure, exhausting at times. Not only that, but many of our HS players stayed committed to our group practices on weekends, and found additional time to train outside of school practices whether it be mornings before school or late into the evenings. Your hard work is valuable and noteworthy— I'm excited to be on the court with you this summer.
- Congratulations to the North Cross Boys for winning the state championship for the second consecutive year.
- Good luck to Tyler Meade who is competing in states this week.
- Shout out to Keaton Bartley and Caleb Wang for making a run in their conference doubles tournament.

ART YBANEZ MEMORIAL DOUBLES TOURNAMENT

The second annual event took place over Memorial Day weekend. Players from all over Virginia came through to compete in various levels of competition over three days. The event is named and dedicated to Art Ybanez, for the impact he left on the tennis community in Roanoke. Art's children Sheldon and Christie, and his brother, Danny, all played in the event. His wife, Goli, brought a beautiful spread of food on Saturday afternoon. Thank you to everyone who played in the tournament, and a special thank you to the Ybanez family for sharing your legacy with us.

During these sessions, you will receive comprehensive guidance tailored specifically for junior golfers. TPI training takes a holistic approach, incorporating elements of physical conditioning, biomechanics, and technique. Our aim is to help you develop a solid foundation that will enhance your golf skills and unlock your full potential. At Hunting Hills Country Club, we believe in fostering a supportive and engaging environment for all junior golfers. Whether you're a beginner or have some experience under your belt, our skilled instructors will work with you to refine your swing mechanics, improve flexibility, and increase overall golf-specific fitness.
