Men's Member-Member Tournament

Our recent Member-Member Tournament was a fantastic event, despite the rainy weather on Saturday. We would like to extend our gratitude to everyone who attended and persevered through the challenging conditions. Fortunately, the weather improved significantly on Sunday, providing a perfect stage for the final rounds.

Congratulations to Curtis Burchett and Mike Shorten for emerging as the champions of the tournament & their exceptional performance throughout the three days.

We would also like to congratulate the winners of the various flights: Greg & Jeff Mackey for winning the Pinehurst flight, Bob Van Kerckhove and Stan Hays for winning the Augusta flight, and Grant Snyder and Daniel Henry for winning the Royal Troon flight.

The tournament showcased the skills and sportsmanship of our members, and we are proud to have such a dedicated community. We would also like to thank all our sponsors, including Warren & Jennifer Bass, Mark Mills, Jaret Mutter, Elizabeth Sowder, Curtis Burchett, and Greg & Jeff Mackey.

TENNIS

American Heart Association Doubles Tournament

Put this event on your calendar! Next month we are hosting the 47th annual American Heart Association tournament. This event will have men's, women's, and mixed doubles draws of various levels. It's a friendly-competitive environment that celebrates your tennis and supports a great cause.

The cost is \$70 per team. With questions or to sign up, contact 540 580 7780, or visit the Tennis Pro Shop.

Junior Tennis

Our fall clinics are up and running. It's already been a blast being back on the court with our friends from summer camp and some new players as well. As we approach Halloween, players are invited to wear their costumes to the clinic! There are still a few spots available if you have yet to sign up.

Court Construction

Construction is underway on two of our outdoor courts. Four state-of-the-art pickleball courts and one resurfaced tennis court should be ready to play on by the end of the month! Until then, please mind the occasional noise and the court closures during construction— and two outdoor hard courts are still available for tennis and pickleball.

Our new pickleball courts will bring more pickleball action to Hunting Hills. Clinics, lessons, groups, socials, tournaments — pickleball is exploding everywhere and its next spot is right here. What are you looking forward to most with the new pickleball courts?

Last night was a full moon. Sometimes full moons make for restless sleep and vivid dreams. I had trouble sleeping and when I did, I dreamed that I was hitting the tennis ball. I wasn't playing, just rallying, but I couldn't tell you who I was rallying with. I only remember my racket hitting the ball again and again. It was wonderful.

Then I woke up, and within the hour I was doing it in real life :) Thank you!

Sincerely,

Shepherd
